February 19, 2019

Dear Parents/Guardians,

In order to support and advance student achievement, Austin Meehan Middle School has implemented **After School PSSA and Academic Tutoring Support**. These sessions focus on building student skills in reading and math as well as test taking strategies.

Your child is being given the opportunity to participate in these sessions. The sessions will be tailored to address the areas that your child needs strengthened. Our goal is to move every child to their highest possible level of achievement while building confidence and self-esteem. The after school program will begin on Monday, February 25, 2019. Tutoring sessions will be held Monday and Wednesday for Reading, Tuesday and Thursday for Math.

Please complete the attached form to enroll your child. Room assignment and teacher assignment will be given upon receipt of the completed enrollment form. Please return the form by Friday, February 22, 2019.

Sincerely,

Mary A. Jackson

Principal
